

Motion Graphics Designer and Video Editor

Status: Full time

Location: 2420 Camino Ramon, Suite 112. San Ramon, CA 94583

To Apply: email careers@gorillacreative.com

You should be...

- Able to conceptualize and articulate creative vision.
- Thick skinned and unphased by constructive client feedback.
- Equally comfortable collaborating with a team or working independently from concept to completion.
- Self-motivated and able to handle competing priorities and shifting deadlines.
- Able to work under pressure while maintaining a positive attitude.
- Organized and have excellent project and time management skills.
- Adaptable with a personality that can work well with others and be open to new ideas.

A day in your life at Gorilla Creative would include...

- Translate concepts, scripts, and abstract ideas into stunning visual animations and videos.
- Absorb client brand and style guidelines and produce new motion graphic content based on it.
- Translate client and stakeholder feedback into actionable changes in your work.
- Convert raw interview and b-roll footage into perfectly paced, captivating videos.
- Meticulously manage and organize footage, assets, and project files on the server.
- Collaborate with producers, directors, and creative team to help develop creative concepts.
- Create mockups, style frames, and mood boards to assist with client pitches.
- Anticipate project issues/risks and clearly communicate resolutions.
- Research and identify new and emerging technologies/processes to enhance our post production process.
- Seek out opportunities to advance yourself as a creative professional.

Specific Skills and Knowledge

- Mograph wizard. Have a solid eye for design and layout and know how to bring designs to life.
- Editing ninja. You should be able to take a bin of raw media and create a well-paced story from it.
- Color connoisseur. Understand light and color as well as the process of grading and correcting footage.
- Advanced skills in Premiere, After Effects and Resolve a must. Experience with Cinema 4D a plus.

Compensation & Perks

- Competitive salary dependent on experience.
- Fifteen days of annual paid time off (ten personal days and five Company selected holidays).
- Company funded trips to industry events (Adobe MAX, Motion Plus Design, etc).
- Access to MasterClass, Lynda.com, and other continuing education resources.
- Weekly company lunches.
- Generous bonus structure based on personal and company performance.

About Gorilla Creative

We are a flourishing video production company with a passion for creating loyal clients. We create product and brand marketing content for some of today's largest and fastest growing brands. We are a team with diverse experience and broad creative perspectives. This is a very fast paced environment where you will get to see the impact of your work from start to finish. At Gorilla Creative, we're building a company that clients want to work with and where employees want to come to do their best work.
